The camera also does not let me do a time-lapse. It shows me a photo every few minutes. Jaclyn's Comment A Kellie's Comment A Sep07,2017 Outstanding Laptop Mouse. I love my Maxxter, it's great. The video quality is excellent, the graphics are really cool, and it's so light weight and compact. I take it everywhere with me. It has 6 buttons, but most of the time I use the wheel and the "l" and "r" buttons. Sep03,2017 Works great and a great value There are no complaints about this mouse, it is easy to use, the photo and video quality are great, and it is a very affordable purchase.
